There are many opportunities to become a Prospector Soccer Club Sponsor. We are a community based club with nearly 1,000 youth players and families. We are always looking to establish partnerships with local organizations.

From our Recreational Soccer Teams to our Competitive Travel Teams, your company will receive exposure all over El Dorado County with our sponsorship packages. Prospector Soccer Club is a 501 (c) 3 non-profit organization so sponsorships donations are 100% tax deductible. We will provide you with a letter of proof of your contribution for your tax records.

There are many costs associated with developmental and competitive soccer. Your sponsorship funds will help defray these costs, giving all players an opportunity to participate in the sport they love and are passionate about.

The main aim of PSC is to provide the opportunity for ALL players to play regardless of their financial backgrounds. Also, we want to create opportunities for players to play at the collegiate level and further their career prospects using soccer as a pathway.

Your contribution will help our children be successful in their pursuit of developing not only their soccer skills, but also their sense of teamwork, sportsmanship, pride, community involvement and hard work. We take pride in providing a positive growth experience to as many players as we can. We thank you in advance for helping open these opportunities to as many players as possible.
